T803 Vehicle mount computer (for Ship)

Highlights:

1. IP65-rated
2. CAN Bus
3. Upto 4 * 720p cameras
4. Passed ISO7637-2 power standard

Product appearance	
IP rating	IP65
Screen and touch	Full lamination process, multi-touch 8.0", 1280*800, brightness>=500 CD/M2 IPS screen, The viewing angle is greater than 170 degrees
System	
CPU	Car chip 64-bit processor, 4-core Cortex A53@1.5GHZ
Memory	2GB
Storage	16GB
Operation system	Android 10 or LINUX+QT
Wireless communication	
WIFI	2.4G WiFi, IEEE802.11 b/g/n
BT	BT4.0 BLE
4G LTE	optional
Port	

Port	Power button *1 USBC port * 1 (for software debugging) USB Host A port *1 TF Card *1 23PIN connector*1 (*Function extension interface: support 4 * 720P cameras and CAN bus)
Environment specification	
Environment specification	Power : ISO7637 Vibration standard（working）: MIL-STD-810 Impact standard（working）: ISO16750 Humidity 95%, non-condensing Working temperature: -20°C ~ +70°C
