CARTOON OCTOPUS

Name: Cartoon Octopus

Location:HangZhou,ZheJiang Province,China

DESCRIPTION OF CARTOON OCTOPUS

Cartoon Octopus is a large amusement equipment developed by our factory, which belongs to the category of automatic control aircraft. The design inspiration comes from octopus, a marine mollusk. Five large arms rise and fall in the rotation, and 20 orange cabins fly up and down, just like an octopus waves and wanders in the water. Passengers in the cabin fully enjoy the fun of rotation, revolution as well as ups and downs. Cartoon Octopus is one kind of kiddie amusement rides which is safe and interesting. Colorful lights and exciting music are equipped with Cartoon Octopus to further lead tourists into the interesting part of the ride. The equipment can be installed in parks, city squares and indoor or outdoor malls.
