DESCRIPTION OF FRENCH CAROUSEL-SUPER DELUXE

Carousel is a traditional amusement machine, welcomed by the majority of young tourists since its inception. Knowing that the carousel is the most popular and necessary equipment in amusement parks and theme parks all over the world, we revamp the traditional structure and optimizes the design of the dated carousel. The brand-new carousel is best known for luxury and beauty. Equipped with colorful LED lights, coupled with passionate music, the luxury carousel, especially those with double layer, deeply attracts the attention of tourists. When the equipment runs, the platform rotates and the lovely horse rise and drop like fairy tales in the spirit.
Carousel is a kind of amusement equipment for all ages. It can be installed not only in theme parks, but also in other crowded areas like shopping malls. No child will refuse the attraction of carousel. The carousel in a mall, in this case, provides a great opportunity for parents to have a break when they go shopping with children.
