ELECTRIC TRAIN

Name:Electric Train
Location:FuYang,AnHui Province,China

DESCRIPTION OF ELECTRIC TRAIN

Electric Train is a mature and long-lived amusement equipment in our company. With a locomotive and several carriages, the Electric Train is widely used in parks, major scenic spots. Passengers enjoy the scenery as they take the train. People at all ages and both sexes prefer to take the Electric Trian instead of walking around the scenic area. With the archaize appearance, the Electric Train itself becomes a landscape and attracts tourists in all directions.
