FLYING CHAIR

Name:Flying Chair
Location:FuYang,Anhui Province,China

DESCRIPTION OF FLYING CHAIR

Flaying Chair is one of the most classic and necessary amusement rides in parks. Passengers sitting in the hanging chair rise gradually with the rotation of axis and spin, feeling like flying in the sky with no strain and limit. We create the unique Flying Chair with reliable materials and creative design, giving the classic equipment a new lease of life. Various lighting and music system can be added based on the demand of customers.
