Product name: Balsam Pear Powder

Balsam Pear Powder Description:

Our balsam pear powder is a light green powder made from the best color and size, washed and dehydrated in an aseptic steel line workshop, and then developed with advanced spray drying technology to keep fresh nutrients and pure Bitter melon flavor; no preservatives, no fragrance, no synthetic coloring.

Balsam pear powder is very rich in vitamin C. In addition, some of the bitter melons in bitter gourd are known as fat killers, which can reduce the intake of fat and polysaccharides. It has the medicinal value and health functions of lowering blood sugar, lowering blood fat, anti-tumor, preventing osteoporosis, regulating endocrine, anti-oxidation and anti-bacterial, and improving human immunity; and the vitamin C in it can prevent scurvy, protect cell membrane, and prevent The role of atherosclerosis. Bitter gourd powder also helps to lose weight; helps wound healing and promotes skin regeneration; bitter gourd can increase appetite, promote digestion, relieve stomach problems and constipation.

You can use it for baking ingredients, bread, biscuits; you can also add our bitter melon powder to the breakfast fruit salad, which is refreshing and delicious; or drink it directly: dissolve 10g bitter melon powder directly in 200-250ml warm water.
