Product name:Carrot Powder

Carrot Powder Description:

Our carrot powder is made of fresh carrots, washed, cut into pieces and put into the dryer, and finally ground into a fine orange-yellow powder in an aseptic workshop, with 0% moisture, 100% non-toxic, no sugar and chemical additives, and reserved It has 100% flavor and nutrition of carrots.

Carrot powder is not only rich in carotene, but also rich in vitamin B1, vitamin B2, calcium, iron, phosphorus and other vitamins and minerals. Among them, vitamin B2 and folic acid have anti-cancer effects, and regular consumption can enhance the body's anti-cancer ability. The conversion of carotene into vitamin A helps to enhance the body's immune capacity, and also has the effect of invigorating the liver and improving the purpose. Carrot powder contains plant fiber, has strong water absorption, and is easy to swell in the intestinal tract. It is the "filling substance" in the intestinal tract, which can strengthen the peristalsis of the intestinal tract, promote digestion and absorption, and accelerate defecation.

You can brew a cup of carrot juice in the morning, stir it a few times, and eat it. It can also be added to milk, soy milk, and porridge according to personal taste ,and increase flavor and color.
