Product name: Freeze-dried apples

Freeze-dried apples Description:
Our freeze-dried apples, with sweet and sour taste, are nutrient-rich and all natural without any sweetener, preservatives and so on, are one of the most popular products among consumers. Since Red Fuji apples are the most important fruit in China and the most widely grown and produced in the world, the price of freeze-dried apples is relatively cheap, but their taste and nutrition are as good as other freeze-dried products.

Freeze-dried apples are rich in fructose, glucose, sucrose, trace elements zinc, calcium, phosphorus, iron, potassium and vitamin B1, B2, vitamin C and carotene, etc. There is a saying in the United States that goes like this: "An apple a day keeps the doctor away." This means it has great nutritional and medical benefits. So freeze-dried apples are ideal for infants, the elderly and the sick.

Our freeze-dried apples are available in many forms, sliced, diced or powdered, to meet your various needs.If you're preparing for a backpacking trip, or a family get-together or picnic with friends, freeze-dried apples come in handy as a delicious and convenient snack. "Little snack, big energy," you'll love it.You can also use freeze-dried apples in your kitchen for cooking, baking, fruit salad, or have a homemade apple drink, oh, I think you're already in it, the smell of apples wafts through the kitchen, the smell is so fascinating, it makes you love the kitchen, love life, love everything.
