Product name: Freeze Dried Banana Powder

Freeze Dried Banana Powder Description:
Freeze dried banana powder is made from natural banana fruits. It is produced using vacuum freeze-drying technology, so most of the nutrients are stored in the powder. Our freeze-dried banana powder all natural and healthy — no added sweeteners and no preservatives.Good source of fiber and vitamin C.No infused sugar and no sulfites!

Banana pulp has high nutritional value. Each 100 grams of banana pulp contains 20 grams of carbohydrates, 1.2 grams of protein, and 0.6 grams of fat. In addition, it also contains a variety of trace elements and vitamins. Among them, vitamin A can promote growth and enhance resistance to diseases. It is necessary to maintain normal fertility and vision.

Our freeze dried banana powder is an excellent way to add fruit elements to dry beverages or baking mixes. This dry powder formula has a natural/WONF flavor and is the perfect additive for brewery applications, baking or home kitchen use. It is also a great way to add tropical fruit flavors to cakes, muffins, cupcakes, pancakes or other baked goods.
