**Product name: Freeze Dried Cherry Powder**

**Freeze Dried Cherry Powder Description:**

Freeze dried cherry powder is freeze-dried and ground. It is a lightweight powder product that can be mixed well without agglomeration, and is easy to store and carry. We guarantee that it is non-GMO and zero-added, and it is a green and natural powder.

Our freeze dried cherry powder is rich in vitamin C, vitamins B1, B2, B3, carotenoids and bioflavonoids. It has the effects of replenishing qi and activating blood, strengthening the stomach and reducing the spleen. If you have poor appetite and indigestion, trust us！ The freeze dried cherry powder will give you unexpected surprises! For women who want to keep beauty, regular consumption of our freeze dried cherry powder can keep your cheeks rosy and delicate, and remove wrinkles and spots.

Mix 1-2 tablespoons of freeze-dried cherry powder into your smoothies and juices, or add a delicious fruity flavor to yogurt, ice cream or sorbet. You can even sprinkle it on oatmeal, pudding or any of your favorite desserts to get the taste of sour cherries. You can also make cherry juice daily and place it on the dining table in the living room. While the colors are very nice, it can also quench your thirst.
