Product name: Freeze Dried Corn Powder

Freeze Dried Corn Powder Description:

Corn is a kind of organic vegetable. Its nutrient-rich, sweet, fragrant, crisp and tender features are favored by consumers all over the world. Our company team upholds the service concept of honesty first and quality first, and strives to provide customers with the most natural pollution-free The freeze-dried corn flour does not contain any chemical additives and colorings.

Our freeze dried corn powder is rich in magnesium, selenium and other elements, which can inhibit the growth of tumors. It also contains more glutamic acid, which can help and promote the respiration of brain cells, remove waste from the tissues, and eat regularly has the effect of strengthening the brain. The dietary fiber can stimulate gastrointestinal peristalsis and accelerate defecation. Patients with constipation can eat more appropriately. Rich in vitamin A, vitamin E, lecithin, linoleic acid and other nutrients, regular food has the effect of lowering cholesterol, especially suitable for patients with obesity.

ou can use our freeze dried corn powder to make corn bread, cakes, biscuits, muffins, and other recipes made with corn flour, or you can make delicious corn pudding, which has a sweet corn flavor without adding sugar.
