Intelligent split screen

Dual screen with the same display/different displaypicture in picture in picture display

SAME SCREENAND SAME DISPLAY | SAME SCREENDISPLAY | PICTURE IN PICTURE

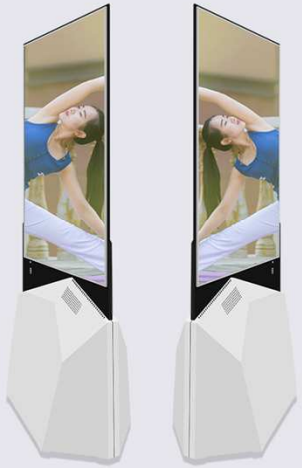

178 ° wide viewing angle

The traditional advertising machine only has a viewing angle of 120 ° -140 °. Dingchuang double-sided advertising machine has a viewing angle of 178 °, a larger viewing angle, so that viewers can clearly watch no matter which angle they stand.

Slim body design highlights dignity

Integrated ultra-thin body, double-sided display design, beautiful appearance, and extraordinary use of space

Display by time period

The advertising machine supports customized program display and display by time period, as well as the customized switch-on / off time of the device.

- 06:00 Regular start
- 07:00 Breakfast
- 12:00 lunch poster
- 15:00 Afternoon tea
- 18:00 dinner poster
- 22:00 Timed shutdown

4K HD resolution

3840 × 2160 high-definition resolution, making every pixel come to life, the picture is more realistic and clearer

high brightness
450nits

High resolution
3840*2160

High contrast
4000:1

Remote operation

The double-sided advertising machine comes with an operating platform, which can be remotely operated through computer, mobile phones, Ipad and other network equipment, and real-time advertising information is released, which is more convenient and faster.
