Product name: Freeze Dried Cranberry Powder

Freeze Dried Cranberry Powder Description:

The raw materials of our freeze dried cranberry powder are screened layer by layer, and are quick-frozen on the harvest day to lock the full nutritional value and antioxidant value of the fruit. Then, the quick-frozen fruit is dried in small batches using a low-impact dehydration method to maintain the low temperature and temperature of the fruit. Maximum nutritional value, and then ground into powder in the GMP workshop, no coloring and any chemical additives are added to destroy the original taste.

Freeze dried cranberry powder is very nutritious and contains a lot of polyphenols, which can effectively enhance the body's immunity and prevent urinary system infections. Moreover, there are more acidic substances in freeze dried cranberry powder, which can promote the secretion of digestive juice in the intestine and increase appetite. Vitamin C is a strong antioxidant, and there are a lot of flavonoid antioxidants, which can effectively whiten the skin and promote skin metabolism.

You can mix 1 tablespoon of our freeze-dried cranberry powder with fruit juice and yogurt to add flavor, or add it to your favorite smoothie, mix and stir, color and taste rich. It is good for your health while giving you taste stimulation! Enjoy our freeze dried cranberry powder today!
