Product name: Freeze Dried Dragon Fruit Powder

Freeze Dried Dragon Fruit Powder Description:
Freeze dried dragon fruit powder uses the most advanced freeze-drying technology, no chemical additives and artificial flavors, the original flavor retains its original nutrition and taste, and the storage method is simple and convenient.

Freeze-dried dragon fruit powder is rich in nutrients and unique in function. It contains plant albumin and anthocyanins that are rare in general plants, rich in vitamins and water-soluble dietary fiber. Our freeze dried dragon fruit powder contains powerful vitamins and minerals, such as fiber, magnesium, antioxidants, vitamin C, calcium, iron, potassium and more. Adding dragon fruit to a balanced diet can help support digestion, strengthen the immune system and increase energy. It also has high nutritional value. It is also a treasure trove of antioxidants, minerals and Omega-3. It is a good source of magnesium and supports brain, heart and bone health.

Nowadays, people love its gorgeous purple-red color, which is used to make smoothie bowls and pressurized drinks. One of the many wonders of this exotic fruit is its brilliant color. Not only does it have a fresh fragrance and moderate sweetness, it can instantly turn a plain smoothie bowl into an oil painting-like texture. Are you sure you don't give it a try?
