Product name: Freeze Dried Durian Powder

Freeze Dried Durian Powder Description:

Durian originated in East India and Malaysia. It is also planted in a small amount in Hainan, China. The fruit is spherical or oval, the skin is yellow, and the appearance looks like jackfruit. Our freeze-dried durian powder is extracted from the yellow, sticky, juicy durian fruit. It seems to have the taste of ice cream and a strong smell.

Our freeze dried durian powder is rich in sugar, protein, starch, fat, vitamin A, B, C, calcium, potassium, etc. Regular consumption of freeze-dried durian powder can promote blood circulation and dispel cold, relieve dysmenorrhea, and is especially suitable for women suffering from dysmenorrhea. Secondly, it can also improve the symptoms of cold in the abdomen, can promote the rise of body temperature, and is an ideal tonic for people who are in cold constitution.

You can use our freeze dried durian powder in baked foods, which not only adds rich nutrition, but also adds the unique flavor of durian to your food. It can also be used for summer milkshake making, a durian milkshake, Full of silky smoothness and durian taste, it also brings a full sense of happiness!
