Product name: Freeze-dried jackfruit

Freeze-dried jackfruit Description:
Our freeze-dried jackfruit uses the most advanced freeze-dried technology to lock all the nutrients in fresh jackfruit, and we absolutely do not add any preservatives and sweeteners, sugar and sulfites, while you enjoy the taste of freeze-dried jackfruit and absorb nutrients, you can be 100% assured of its safety.

Freeze-dried jackfruit is not only very delicious, but also very rich in nutrition. It contains almost all vitamins and 16 natural minerals needed by the human body, and can effectively help digestion and absorption, and clear the stomach. Freeze-dried jackfruit (jackfruit) is rich in B vitamins that nourish the skin and hair as well as relieve tension and enhance immunity. It is a favorite for women. Freeze-dried jackfruit can also promote blood circulation, lower blood pressure, and dilute blood lipids. Freeze-dried jackfruit is not only delicious, but also a solution to the little annoyances of your life.

Our freeze-dried jackfruit is available in flakes and can be used as a delicious snack for all ages. You can also use it in baking to improve flavor. You can also use it to make drinks, feel the variety of fruit taste, and experience the taste of life.
