Product name: Freeze Dried Litchi Powder

Freeze Dried Litchi Powder Description:
Freeze dried litchi powder is made from natural lychee fruits. It uses the most advanced plant extraction and vacuum freeze-drying technology in the world to maintain the color of lychee itself. The powder is white-like fine powder with good fluidity, easy to dissolve and easy to maintain. Our freeze-dried lychee powder does not contain sweeteners, preservatives, sugar and sulfites!

Litchi is a food with high nutritional value, containing protein, glucose, sucrose, fat, folic acid, tryptophan, arginine, vitamin A, vitamin B, vitamin C and other nutrients needed by the human body.

Our freeze dried litchi powder is widely used in different fields. It has the medicinal value of replenishing the heart and calming the nerves, stopping hiccups, and stopping diarrhea. The rich sugar and vitamins also have strong cosmetic effects. The brewed freeze-dried lychee powder juice not only has a sweet taste, but also relieves certain stomachaches.
