Product name: Freeze Dried Orange Powder

Freeze Dried Orange Powder Description:

Our freeze dried orange powder is made of orange pulp and peel. It is made into powder after freeze-drying, which retains the aroma, fresh taste and rich nutrients of orange to the maximum extent, and does not add any preservatives. It is a pure natural product. Flavored food powder.

Our freeze dried orange powder is rich in vitamin C, potassium, magnesium, and many other vitamins and minerals. It is also rich in citric acid and carotene. It is multi-fiber and low in calories. It is an indispensable weight loss preparation on the table for beauty girls.

You can use our freeze dried orange powder in beverages, baking and cooking foods to add the aroma, flavor and nutrition of fresh oranges to dishes, and it is easy to measure. A cup of orange juice in the morning will start a beautiful day.On weekends.,the orange cakes and cupcakes for family gatherings can be made with controllable dosage and convenient operation. While satisfying the taste buds, it also exercises hands-on ability.
