Product name: Freeze-dried raspberries

Freeze-dried raspberries Description:
Our freeze-dried raspberries use the most advanced freeze-dried technology to lock all the nutrients in fresh raspberries, and we absolutely do not add any preservatives and sweeteners, sugar and sulfites, while you enjoy the delicious freeze-dried raspberries and absorb nutrients, you can be completely assured of its safety.

Freeze-dried raspberries contain a large amount of vitamin C, E, superoxide dismutase, Y-aminobutyric acid and other anti-aging substances, which are women's favorite. Freeze-dried raspberries also contain ellagic acid and other anti-cancer substances, among which the content of vitamin E and ellagic acid is the highest among all fruits. In the United States, the red raspberry is regarded as a cancer killer, praised as "ruby".

Our freeze-dried raspberries are available in many forms, including whole fruit, diced raspberries and powdered raspberries. Freeze dried raspberries as a snack, keep them in your office or backpack at all times, their sweet and sour flavors and tempting red color will give you a wonderful mood and plenty of energy. You can also add freeze-dried raspberries to baked goods, smoothies and frozen foods to enhance flavor and color. The beautiful blush will whet your appetite and amaze your life. You can also put freeze-dried raspberries into cocktails, drinks or water, you will taste different sour and sweet taste, and enjoy the warm colors brought to you, let you feel the beauty of life.
