Product name: Freeze Dried Raspberry Powder

Freeze Dried Raspberry Powder Description:

Raspberry is famous all over the world for its delicious snacks, and it is a treat on the tip of the tongue. Our freeze dried raspberry powder is made from real, sweet organic berries, so it tastes like its fresh companion! A little sour, a little sweet, mouth-watering, using strict dehydration and freeze-drying technology, the powder made is a sweet dark red powder, no additives, 100% raw material packaging.

Freeze dried raspberry powder is one of the foods with the highest ellagic acid content. Ellagic acid is a micronutrient known for its antioxidant and health-supporting properties. It is rich in vitamins and minerals, and contains an enzyme called bromelain, which is good for health.

For daily use, just mix the freeze dried raspberry powder with smoothies, yogurt, breakfast cereals or baking to make the finished product with a real berry taste! Whether you are working, traveling, or on a business trip, you can easily carry the package and solve the meal ,At the same time, you also enjoyed the sweet and sour taste.
