Product name: Freeze-dried rose petals

Freeze-dried rose petals Description:
Our freeze-dried rose petals are food grade, nutritious, floral and beautiful. Fresh rose petals come from Pingyin, Shandong province, the hometown of Roses in China. It is edible double rose petals. We control the quality from the source, artificial planting, artificial weeding, green and safe. Adhere to 2 o 'clock in the morning to 6 o 'clock before sunrise to pick half-opened roses, after more than three times of manual selection, 100,000 grade purification standard workshop, strict control of product quality and health. In order to ensure that every rose is frozen evenly during freeze-drying, we spread every rose flower evenly. Our rose petals adopt the most advanced freeze-drying technology to lock up all the nutrients and colors in fresh rose petals, and we absolutely do not add any preservatives, so you can be 100% assured of its safety.

Freeze-dried rose petals are not only easy to preserve, but also rich in nutrition. They have the functions of improving physical fitness, losing weight, breast enhancement, regulating menstruation, promoting sleep, relieving depression, beautifying beauty, promoting blood circulation, regulating endocrine and so on.

Our freeze-dried rose petals are available in a variety of sizes to meet your various needs. You can make delicious cookies, cakes, pancakes, muffins, moon cakes, etc. You can also add the freeze-dried rose petals to drinks or drink them with water. The strong fragrance of flowers will bring you a good mood instantly. You can also add rose petals to your cosmetics to create a variety of rose cosmetics. Freeze-dried rose petals also have many decorative uses. You can use rose petals to make immortal flowers for your loved ones, sweet and long-lasting.
