Product name: Freeze-dried strawberries

Freeze-dried strawberries Description:
Freeze-dried strawberries are the queen of fruits, lovely, crunchy, throat-moistening, and long term storage. Due to the use of freeze-drying technology, the maximum retention of nutrients and attractive appearance.

Freeze-dried strawberries are rich in nutrients, including fructose, sucrose, citric acid, malic acid, salicylic acid, amino acids and minerals such as calcium, phosphorus and iron. In addition, it also contains a variety of vitamins, especially vitamin C content is very rich, every 100 grams of freeze-dried strawberry contains vitamin C60 mg. Carotene contained in freeze-dried strawberry is an important substance for the synthesis of vitamin A, which has the function of brightening the eyes and nourishing the liver. Freeze-dried strawberries also contain pectin and are rich in dietary fiber, which can aid digestion.

Our freeze-dried strawberries are available in many forms for you to choose from, including whole fruit, sliced, diced or powdered. You can add freeze-dried strawberries to your lemonade, soda, cocktail, etc. It will instantly add strawberry flavor and wonderful color to cool your hot summer days. You can also use it in baked goods to give them a different texture. It can also be used for snack addition and candy addition. Either way, it can connect countless happy moments in your life, when the familiar aroma and taste come again and the happy and sweet past comes to the fore.
