Product name: **Freeze Dried Taro Powder**

Freeze Dried Taro Powder Description:
Our freeze dried taro powder is a pale white powder made through the processes of selecting materials, peeling, cutting into pieces, air-drying and dewatering, low-temperature pressurization and smashing. It is guaranteed that no chemical additives and other artificial colors are added, and the original flavor retains the nutritional value and flavor of the taro.

Freeze dried taro powder has high nutritional value and is a popular food. It is rich in protein, fat, carbohydrate, dietary fiber, phosphorus, iron, vitamin C, etc. The dietary fiber has a significant effect on human digestion, so for beauties who want to lose weight, eating our freeze dried taro powder will not only let you enjoy the rich taro fragrance, but also help you digest and absorb others. Food is an indispensable product on the way to lose weight!

Freeze dried taro powder is ideal for making sweet cream, tea, smoothies and other beverages. In the morning, you can also use our freeze dried taro powder to make homemade milk tea and wowotou, enjoy the rich fruity fragrance, but also fill your stomach and start a beautiful day!
