Product name: Freeze Dried Yam Powder

Freeze Dried Yam Powder Description:
Yam is a commonly used Chinese medicinal material in clinical practice. Our company's freeze dried yam powder uses first-class raw materials and cooperates with multiple GAP Chinese medicinal material planting bases to establish a mature and functional raw material supply system to ensure product quality. And it is guaranteed that no artificial colors and preservatives are added, and it is 100% original.

Our freeze dried yam powder has high nutritional value and contains diosgenin, which has anti-fatigue, anti-inflammatory, anti-stress, low cholesterol and estrogen effects.Moreover, the freeze dried yam powder has antispasmodic effect and can be used for pregnant women's nausea (morning sickness), spasmodic hiccups and asthma. It is also rich in nutrients and can help digestion, enhance the absorption function of the small intestine, and protect the gastric mucosa from damage. For people with stomach problems In other words, regular consumption of our freeze-dried yam powder can relieve certain symptoms.

In a hurry morning , a cup of freeze dried yam powder made a paste, add a little honey or sugar, the fragrance is delicious and warms the stomach, it is the best choice for working people!
