Product name: Green Tea powder

Green Tea powder Description:

Our green tea powder is a green powder made from fresh tea leaves picked by tea farmers through various processes such as drying, dehydrating, roasting, and grinding. Our green tea powder must be high-quality, without any additives, artificial colors and Preservative, retain its most complete nutrition and flavor.

Our green tea powder is an economical food. The aromatic compounds in green tea powder can dissolve fat, remove turbidity and remove greasiness, and prevent fat from accumulating in the body. Vitamin B1 and C can promote gastric secretion, help digestion and reduce fat. Green tea powder can also increase body fluid nutrition and calorie metabolism, strengthen microvascular circulation, and reduce fat deposition.

Green tea powder can be used in a wide range of applications. You can drink it as a drink every day, or make it into a mask. It can even shrink the skin and increase the strength of the sebum film. It has the effect of strengthening the skin. Don't stop once a day. Green tea powder also has special effects on acne and suppuration. You can also add yogurt, yogurt or apple juice to eat, which can promote constipation, weight loss, and weight loss. It must be the first choice for women who want to lose weight. why are you waiting for?
