Product name: Kelp Powder

Kelp Powder Description:

Kelp powder is the main source of iodine, which is a trace mineral that is essential for healthy thyroid function. Our kelp powder is ground from dried Atlantic kelp, and it is also rich in marine minerals such as potassium, magnesium, calcium and iron. It does not add any chemical additives and artificial colors. It is 100% pure and natural green food.

Kelp is a vegetable with high nutritional value. Each 100g of dried kelp contains: 8.2 grams of crude protein, 0.1 grams of fat, 57 grams of sugar, 9.8 grams of crude fiber, 12.9 grams of inorganic salts, 2.25 grams of calcium, and 0.15 grams of iron. And carotene 0.57 mg, thiamine (vitamin B1) 0.69 mg, riboflavin (vitamin B2) 0.36 mg, and niacin 16 mg, which can emit 262 kilocalories.
Kelp powder has a high iodine content, generally 3 ~ 5‰ of iodine, up to 7 ~ 10‰. Iodine is one of the essential elements of the human body. Iodine deficiency can cause goiter. Eating more kelp powder can prevent this disease, prevent arteriosclerosis, and reduce the accumulation of cholesterol and lipids.

For someone who are thinking about losing weight, take about 10 grams of kelp powder and brew with water before going to bed, which can effectively help lose weight. If you want to add some flavor to the prepared nutritious soup, you can also add an appropriate amount of kelp powder.

Ingredients: Kelp Powder
Kelp Powder specifications: Powder 100mesh

Kelp Powder packaging:
Inner packing: 1kg/aluminum foil bag
Shockproof bubble film is adopted to strengthen protection
Outer packing: 38*38*57cm five layers corrugated carton
