Product name: Tomato Powder

Tomato Powder Description:

Our tomato powder is made of fresh tomatoes. After cleaning, it is put into the dryer and ground into a fine bright red powder in the aseptic stainless steel workshop. It is easily soluble in water, 100% non-toxic, without sugar and any chemical additives, and retains Tomato is 100% flavor and nutrition.

Lycopene is one of the most powerful antioxidants in nature, and it is almost exclusively found in tomatoes. Our tomato powder is rich in lycopene, its antioxidant and anti-tyrosinase properties can lighten skin tone and protect it from harm. The presence of vitamin C in tomato powder can improve the production of collagen in the skin and prevent wrinkles and fine lines from appearing on the skin. It is a must-have natural food for anti-aging women!

If you are too rushed in the morning, you can just brew a cup of tomato powder juice, which is nutritious and saves time! You can also add our tomato powder to the prepared pasta to neutralize the oil. A plate of tomato pasta with delicious flavor and sour taste, it must be delicious!
