Product name: Yam Powder

Yam Powder Description:

Our yam powder is carefully selected mature yam, washed, peeled, cut into pieces, dried, and then ground into powder in an aseptic workshop. The original smell and aroma are retained 100% without any preservatives and artificial colors. , Flavor, 100% green products!

Yam powder is a well-known nourishing product. It contains protein, carbohydrates, vitamins, fats, choline, amylase and other ingredients. It also contains iodine, calcium, iron, phosphorus and other indispensable inorganic salts and trace elements in the human body. It contains enough fiber, which will be produced after eating. A feeling of fullness, thereby controlling the desire to eat. Secondly, yam itself is a kind of high-nutrition, low-calorie food, you can safely eat more without worrying about getting fat.

You can directly brew a cup of 500ml of yam powder in the morning, which is full and nutritious. You can also add an appropriate amount of yam powder to the white rice porridge to speed up the dissolution. After two or three minutes, add sugar to make a delicious bowl of yam porridge! Our yam powder can also bake yam bread and make yam pancakes.
