60 PERSONS PIRATE BOAT

Name:Pirate Boat

Location:ShaoXing,ZheJiang Province,China

DESCRIPTION OF PIRATE BOAT

The pirate boat, one kind of large amusement equipment which reciprocate and swings around the horizontal axis, attracts the attention of tourists with its realistic modeling, classical decoration and colorful lights. This equipment adopts the friction driving mode and gradually increases the swing angle to maximum. Passengers feel like being above the ocean. They seem to be taken up to the top of the waves when the boat rises, and then dropped into the abyss when the boat falls. The process brings tourists the feel of thrill and excitement along with the pleasure.

As a brave man's choice, pirate boats are welcomed by the majority of young people and people who love challenges. The design structure of the equipment is reasonable, easy to use and maintain. It is a popular equipment in amusement parks, theme parks and even water parks.
