120m Ferris Wheel

Name:120m Ferris Wheel
Location:DeZhou,ShanDong Province,China

DESCRIPTION OF 120M FERRIS WHEEL

As the highest Ferris wheel in north China, the 120 meters Ferris wheel is located in Dezhou city, Shandong Province. It has 60 panoramic capsules that remain constant temperature to ensure the comfort of 400 passengers. When night falls, the Ferris wheel lights up the city's most beautiful skyline with LED lighting system, showing its extraordinary charm. In order to build a relaxing environment in the capsule, soft leather seats and round coffee tables are equipped. Besides, two 15-inch video televisions and air conditioners also make the capsule as well as the Ferris wheel more high-end.
