MEDIUM DUTY IN-HELMET MICROPHONE

HELMET MICROPHONE RHEL-0843-M1/SC (Open Face)

FEATURES

- Medium duty in-helmet motorcycle mic system
- Powerful in-helmet dual speakers with boom microphone
- High-quality electret condenser element produces excellent transmit audio
- Finger Push-to-Talk switch for convenient communications
- Modular features allow the mic system to be easily disconnected from the motorcycle
- Reduced road and wind noise with high-quality headset speaker and noise canceling

MEDIUM DUTY IN-HELMET MICROPHONE

HELMET MICROPHONE RHEL-0943-M1/SC (Full Face)

RHEL-09 is a headset with microphone, designed for self installation in any helmet with full face structure (with jaw cover)

FEATURES

- Two ultra-thin speakers (important for helmets tightly fitted to the head) wrapped in a soft "sachets" with sewn on one side of the Velcro and the second set of Velcro equipped with a self-adhesive layer.
- Electret microphone with a set of self-adhesive Velcro.
- PTT button with Velcro tape, can be mounted on steering wheel.

LIGHT WEIGHT HEADPHONES

LIGHT WEIGHT HEADPHONES RHS-0128-M1/1E/SC

Ultra-Light Behind the Head Headset with Left Earphone Boom Microphone and In-line PTT

FEATURES

- Built to be worn with a helmet or hardhat.
- High quality speech tuned microphone.
- Comfortable adjustable metal behind the head band.
- In-line PTT,VOX switch optional.
- PU cable for flexibility in various temperatures.
- Molded strain relief at connector.

LIGHT WEIGHT HEADPHONES

LIGHT WEIGHT HEADPHONES RHS-0219A-M1/1E/SC

Single Earmuff Over-the-Head Headset with Boom Microphone and In-line PTT

FEATURES

- Uni-directional microphone
- High quality speech tuned microphone
- Comfortable adjustable metal over the head band
- Large In-line PTT or big lapel PTT
- Industry leading 30lb pull strength at both ends of PTT
- PU cable for flexibility in various temperatures

LIGHT WEIGHT HEADPHONES

LIGHT WEIGHT HEADPHONES RHS-0219A-M1/2E/SC

Ultra-Light Over-the-Head Headset with Dual Earmuff and Boom Microphone

FEATURES

- Uni-directional microphone
- High quality speech tuned microphone
- Comfortable adjustable metal over the head band
- Large In-line PTT or big lapel PTT
- Industry leading 30lb pull strength at both ends of PTT
- PU cable for flexibility in various temperatures

MEDIUM WEIGHT HEADPHONES

MEDIUM DUTY HEADPHONES RHS-1436Q-M1/2E/SC

Medium Duty Over-the-Head Headset with Dual Earmuff and Boom Microphone

FEATURES

- Excellent anti-noise capacity.
- Medium duty over-the-head structure for comfortable wear.
- Flexible microphone with replaceable windshield foam.
- Environmental PU cable reinforced with Kevlar.
- Can be worn underneath helmet.
- Designed for secure wear when active body motion is involved; suitable for patrolling police, surveillance personnel and sports enthusiasts such as motorcyclists.

MEDIUM WEIGHT HEADPHONES

MEDIUM DUTY HEADPHONES RHS-1536-M1/1E/SC

Over-the-Head Headset with Noise-Cancelling Boom Microphone

FEATURES

- Perfect noise reduction function.
- Comfortable wearing experience with very good voice transmission/receiving.
- One-sided imitation leather earpiece.
- Adjustable headset microphone.
- Flexible signal transfer.

RayTalk
Headsets for Professionals

Save YOUR Money!

We make a wide variety of adapters which allow you to use the same audio accessory or microphone on several different models of two way radios. Our adapters can save your money when upgrading radios, allowing you to continue to use existing audio accessories that you already have. Thus you can share the same audio accessory between two different radios.

AP-01-M1

Adapter for Motorola GP328/GP340/HT750/ PRO5150 to Motorola 2 pin connector

AP-01-K1

Adapter for Motorola GP328/GP340/HT750/ PRO5150 to Kenwood 2 pin connector

AP-02-M5

Adapter for Motorola GP344/GP388/GP328plus to Motorola Visar(3.5mm threaded connector)

AP-03-K1

Adapter for Kenwood TK385 multi pin to Kenwood 2pin connector

AP-03-M5

Adapter for Kenwood multi pin to Motorola 3.5mm thread

AP-04-M1

Adapter for Mototrbo multi pin to Motorola 2pin connector

AP-05-M5

Adapter for Motorola HT1000 to Motorola Visar(3.5mm threaded connector)

AP-06-I2W

Adapter for Icom IC-F50/F51/F30GS multi pin to Icom 2pin connector

AP-07-M1

Adapter for Motorola DP2400/2600/2000 to Motorola 2pin connector

AP-08-M1

Adapter for Hytera PD780/785/705 to Motorola 2pin connector

AP-09-3.5F

Adapter for 3.5mm mono or stereo jack to electret acoustic earphone 2 pin jack

AP-10-M1

Motorola 2pin female jack adapter

AP-11-M1

For ICOM IC-F3262D,F4262D Series (14pin), IC-F4262DT/DS,IC-F4400DS to Motorola 2 Pin connector

AP-12-M1

Caltta PH600 series to Motorola 2 Pin connector

AP-11-I2

For ICOM IC-F3262D,F4262D Series (14pin),
IC-F4262DT/DS, IC-F4400DS to Icom 2 Pin connector

Quick Disconnect
Protect YOUR RADIO

The Quick Disconnect Adapter and Accessories provide both security and usability. Just install the adapter onto the radio and plug the QD accessory into the 6 pin or 12 pin Hirose adapter. The push-pull mechanism locks the accessory in place during use, but still allows you to quickly remove it from the radio without tools if you need to.

AP-01-HRS6F

Adapter for Motorola GP328/GP338/GP340 to Hirose 6pin connector

AP-01-HRS6F/PTT

Adapter for Motorola GP328/GP338/GP340 to Hirose 6pin connector with flat PTT

AP-03-HRS6F

Adapter for Kenwood TK385 multi pin to Hirose 6pin connector

AP-04-HRS6F

Adapter for Mototrbo multi pin to Hirose 6pin connector

AP-04-HRS6F/PTT

Adapter for Mototrbo DP3400 APX4000 to Hirose 6pin connector with flat PTT

AP-05-HRS6F/PTT

Adapter for Motorola HT1000 to Hirose 6pin connector with flat PTT

AP-SP4-HRS6F

Adapter for Sepura STP8000 to Hirose 6pin connector

AP-MC01-HRS6F/PTT

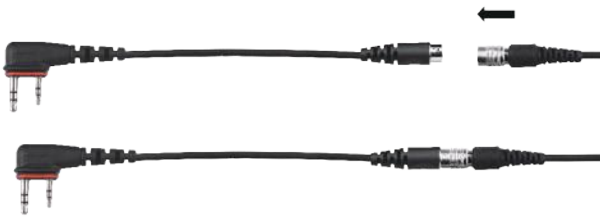

Adapter for M/A-COM & Harris Radio XG75 P5400 to Hirose with flat PTT

- Easy Installation
- Secure
- Making Communications Convenient

ADAPTER CABLE

Quick Disconnect Feature

The Quick Disconnect feature is available on most of our products. Such as Speaker Microphone. Surveillance earpiece and Headsets, allows the user to easily connect and disconnect the audio accessory, yet is secure enough to be used in most situations. Making communications convenient for large business that use multiple brand radios.

Pick an Adapter Cable and Accessory to make a set.
