Product name: Beet Root Powder

Beet Root Powder Description:

Our beet root powder is a fine powder of pure natural red color made from the beet roots with high nutritional value after low-temperature crushing process. It is 100% free of any chemical additives and artificial colors, which guarantees 100% green, pure and natural health food!

Beet root powder is rich in antioxidants, dietary fiber, calcium, iron, potassium, folic acid (vitamin B9) and manganese, and other nutrients. Beet root powder contains iodine, which is useful for preventing goiter and preventing atherosclerosis. Certain curative effect. It also contains a considerable amount of magnesium, which can regulate and soften the hardening strength of blood vessels and prevent the formation of thrombus. It has an important effect on the treatment of high blood pressure. There are also a lot of cellulose and pectin ingredients, according to research found to have the function of anti-gastric ulcer disease.

You can add our beetroot powder to the smoothies and juices you make in the morning to mix the flavor, or you can add our beetroot powder to the prepared cakes to increase the natural color.
