Product name: Celery Powder

Celery Powder Description:

Our celery powder is a light green powder with a special fragrance, which is made of green raw materials from cooperative organic farms, after cleaning, drying, and processing. It has 0% moisture, 100% non-toxic, no sugar and chemical additives.

Celery powder has high nutritional value. It can lower blood pressure and have symptoms of body edema. People with sparse urine can eat more to help diuresis. It can also help replenish blood and improve skin tone. Celery also has a special fragrance, which can stimulate the sense of taste. Causes increased secretions in the body and promotes digestion. Moreover, our celery powder contains a lot of dietary fiber, and the fat content is very low. For women who want to lose weight, we can use our celery powder to increase satiety and promote metabolism!

You can brew our celery powder into a cup of boiling water, add honey, or add your favorite dates and tomatoes to promote digestion and supplement nutrition.
Guests who like to drink milk can also add milk. The mellow milk fragrance and unique fragrance will definitely bring you a brand new taste!
