Product name: Freeze Dried Asparagus

Freeze Dried Asparagus Description:

Our freeze-dried asparagus is provided by an organically certified vegetable base. After experienced vegetable growers select asparagus that is qualified in appearance, size and color, they are cleaned and accurately cut, and they are freeze-dried in a workshop with the most advanced vacuum freeze-drying technology. It is made, and it is guaranteed that no preservatives, chemical additives, and nitrite are added, and the asparagus is 100% original taste and fragrance!

Freeze-dried asparagus is rich in selenium, various amino acids needed by the human body, among which selenium, this trace element can promote the normalization of cell growth and prevent the division and spread of cancer cells, plus the folic acid, nucleic acids, steroid compounds, and flavonoids contained in it. , Asparaginase components, can effectively inhibit the growth of cancer cells.

Our freeze-dried asparagus, you can use it to make delicious fruit and vegetable juice, or add it to soup to add asparagus flavor!
