Product name: Freeze-dried pitaya
Other name: Freeze-dried dragon fruit

Freeze-dried dragon fruit Description:
We have two kinds of freeze-dried pitaya, one is the warm red heart freeze-dried pitaya, the other is the cool and refreshing white heart freeze-dried pitaya. All natural and healthy, free of preservatives and sweeteners, sugar and sulfites.

Freeze-dried pitaya contains rich vegetable proteins, vitamins, minerals, dietary fiber, vitamin C content is higher, and the hearts of freeze-dried pitaya anthocyanin content was higher than that of white heart freeze-dried pitaya, thus freeze-dried pitaya is a stronger antioxidant effect of freeze-dried fruit, enhance immunity, resist oxidation and protect cardiovascular and other health care function.

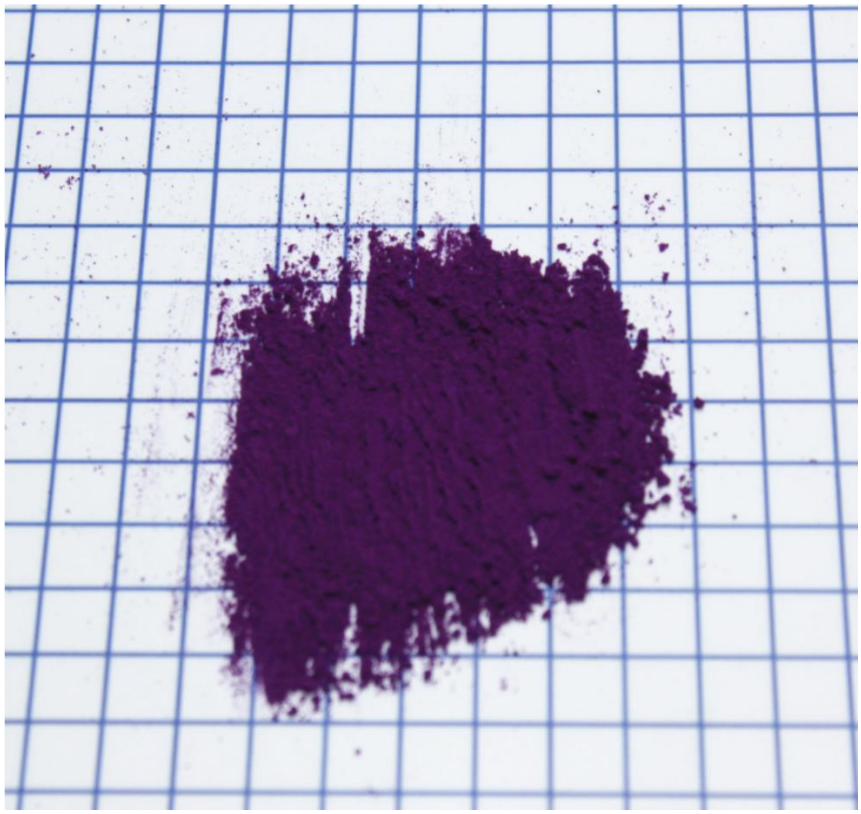

Our freeze-dried pitaya is available in many forms for you to choose from, including slices, diced and powder, which can meet your various uses. Freeze-dried pitaya can be mixed with a variety of food, collision different spark, especially the red heart freeze-dried pitaya, whether in ice cream, drinks, snacks, baking, can bring you a fiery color, increase visual appeal, so it is a delicious and pure natural "pigment".
