Product name: Freeze Dried Fig Powder

Freeze Dried Fig Powder Description:

Our freeze dried fig powder is a brown powder that is easily soluble in water. It is manufactured in a GMP standard workshop. It uses the most advanced freeze-drying technology to retain all the nutrient elements and flavors of figs without adding any chemical additives and pigments. Your 100% food safety guarantee.

Freeze dried fig powder is rich in vitamin a and carotene, which can protect the skin from free radicals. The extract and neuropeptides can break down fat cells and promote cell metabolism, increasing the smoothness of the skin. It can also promote appetite and has a good laxative effect.

For this freeze dried fig powder, you can add it to breakfast yogurt to add a refreshing flavor, or you can brew a cup of fig drink to replenish your energy .
