Product name: Freeze-dried longan

Freeze-dried longan Description:
Our freeze-dried longan is delicious, nutritious and all natural without any sweetener, preservatives and so on, which is one of the most popular products among consumers. Free of sugar and sulfites, you can be 100% assured of the safety of freeze-dried longan while enjoying its delicious taste and absorbing nutrients.

Freeze dried longan is as good as a tonic kind of fruit, sugar content is higher, is rich in glucose, sucrose, and nutrients such as protein, riboflavin, potassium, magnesium, phosphorus, selenium content is very outstanding, also has a high iron content, can provide relatively high heat energy, compensatory nutrition, can promote the regeneration of the body of hemoglobin at the same time, so as to achieve a blood tonic effect. In addition to its systemic benefits, longan has been found to be particularly effective on brain cells, boosting memory and eliminating fatigue. The tonifying effect of Longan has the effect of auxiliary treatment for people who need recuperation and physical weakness after the disease, and has a certain effect on patients with loss of appetite and edema. People with dyspepsia, sore throat, toothache, and some Yin deficiency and internal heat are generally not recommended to eat longan. In addition, it is not recommended to eat fruits with high glycemic index like Longan for some obese and diabetic patients.

Our freeze-dried longan has many forms for you to choose from, including whole fruit, diced and powder, which can meet your various uses. Freeze-dried longan can not only be used in your kitchen as an ingredient to produce exquisite dishes, but also make nutritious longan drinks. If you're preparing for a backpacking trip, or a family get-together or picnic with friends, freeze-dried longan comes in handy as a delicious and convenient snack, "small snack, big energy" and you'll love it.
