Product name: Freeze-dried pears

Freeze-dried pears Description:
Freeze-dried pears. I want to compliment them. Because freeze-dried pears have so many advantages all rolled into one. But I found that this product is not very concerned in foreign countries, perhaps because the output of pears in foreign countries is not high, so it is not included in the list of bulk fruits. So from now on, please pay attention to it, it may be the product that brings you unlimited business opportunities, but also the product that can give you the nutrients your body needs. Our freeze-dried pears taste sweet and sour, nutritious, and all natural, no sweeteners, preservatives, etc.

Freeze-dried pears are rich in nutrients, including a variety of vitamins, trace elements such as potassium, magnesium, calcium and phosphorus, as well as a certain amount of protein and cellulose. It is a kind of freeze-dried fruit of the same origin as medicine and food. Its nutritional value is very high. Freeze-dried pear has the effect of clearing heat and shengjin, moistening lung and relieving cough, detoxifying alcohol and moistening intestine. Freeze-dried pears can be used for hot cough, irritability, thirst and voice loss, and injury caused by illness and fever. Freeze-dried pears also have good antioxidant and anti-cancer properties. Therefore, freeze-dried pears are ideal for infants, the elderly and the sick.

Our freeze-dried pears are available in many forms, sliced or diced, to meet your needs.If you're planning a backpacking trip or a family gathering or picnic with friends, you can snack on freeze-dried pears to keep them with you all the time. You can also use freeze-dried pears in cooking, baking, and fruit salads.Or a cup of homemade pear drink, you only need to add the right amount of water, a cup of delicious and can clear fire, relieve cough and asthma pear drink was born, while enjoying the delicious, let it help you solve the body's small problems.
