Product name: Freeze Dried Spinach Powder

Freeze Dried Spinach Powder Description:
If Popeye knew about our spinach powder, he wouldn't have to eat so much spinach! That's because spinach powder packs a whole lot of energy in every spoonful. Made by grinding whole dried spinach leaves, this finely textured powder has a rich green color and mild spinach flavor.In order to maintain its original form of taste, nutrition and freshness. It is safe, healthy, and does not contain any harmful additives. The color is green, the fluidity is strong, and it is easy to dissolve.

Freeze dried spinach powder is rich in lutein, protein, iron, fiber, vitamin c, vitamin a, vitamin c, vitamin k, sodium, manganese, calcium, phosphorus, sodium, β -carotene, potassium, and thiamine. Riboflavin, carotenoids, etc., are an extremely nutritious edible powder. It also contains a lot of plant fiber, which can promote intestinal peristalsis and facilitate defecation. Rich iron can also help treat iron deficiency anemia.

You can use our freeze dried spinach powder in baked goods to make delicious spinach bread or spinach biscuits. It can also be added to freshly squeezed juice, the taste is refreshing!
