Product name: Freeze Dried Strawberry Powder

Freeze Dried Strawberry Powder Description:

Our freeze dried strawberry powder is made from freeze dried organic strawberries. It is made by instant pulverization using vacuum freeze-drying technology and low-temperature physical crushing technology, maintaining the original natural colors of various nutrients, health care ingredients and raw materials of strawberries. And strawberry powder is an excellent source of vitamin C, antioxidants and dietary fiber.

We hope you can get the best nutrition and the best taste experience from our freeze dried strawberry powder. And freeze-dried strawberry powder is a tonic powder, containing sugar, protein, fat, vitamin a, B1, b2 and C, proteolytic enzymes, vitamins and so on.

Our freeze dried strawberry powder is a bright strawberry-colored powder, with uniform and fine particles, and exudes an elegant strawberry aroma with a mellow taste.You can enjoy the wonderful light, sweet and fruity taste of fresh strawberries at any time of the year, in the form of a shelf-stable powder! Common uses can be used for backpack food, camping food, healthy snacks, and quick and easy cooking at home. This fine powder is very suitable for making smoothies, yogurt, desserts and oatmeal. You can sprinkle strawberry powder on oatmeal in the morning or mix it with plain yogurt for a delicious afternoon snack. It can also be added to desserts such as puddings and parfaits, or mixed into cake and muffin batters to make charming strawberry desserts.
